Colleen Corcoran, Town Clerk  
Joel Santisteban, Sun & Energy  
Jason Lieberman, Sun & Energy

*Deputy Supervisor DeMarco opened the public hearing for comment regarding the Community Choice Aggregation (CCA) Program. He stated that the CCA would allow for the Town to partner with other communities to leverage lower rates for energy; an opportunity to enhance participation in green energy. It doesn't cost anything to be a part of or to opt out of it.*

*Mark Reynolds asked if other towns in our area are participating and how many more municipalities are needed to aggregate.*

*Jason Lieberman, Sun & Energy, stated the area is Central Hudson territory. The Village of Wappingers adopted the law and executed the service agreement; Marlborough is the second in the area to adopt the law. About eight municipalities are needed for benefits to kick in.*

***Councilman Koenig made a motion to close the public hearing at 7:10 p.m. Motion seconded by Councilman Molinelli.***

***Yeas: 4                      Nays: 0                      Carried***

*Respectfully submitted,
