#### **Monthly Report for March 2020**

**COVID-19:** In addressing the pandemic which we are experiencing, we have had to make some temporary changes. After communicating with other UC Highway Departments, on 3/19 we divided our workforce into 2 groups that rotate weekly. We are taking precautions to keep everyone healthy which then gives us the ability to address any problems that may arise during this period. Our hours remain the same 7am to 3 pm.

**ROADS:** On 3/10 we repaired the dirt section of Old Indian Trail. We continued road patrols throughout the Town, cold patching, cleaning catch basins and pipe ends where needed. On 3/27 we cut up and removed a guide rail on Idlewild Rd. which will be reinstalled in the future.

**SNOW/ICE:** On 3/23 we had freezing rain, sleet and snow showers. We salted and plowed all routes with our now limited workforce. We did lawn repairs due to plowing on Sherman Dr. and the cul-de-sac at Rue De Vin.

**DRAINAGE:** We continued throughout the month to ditch, install rip rap and prepare Prospect Street for this year's paving project. On 3/16 the PD notified us that there was a beet juice spill on 9W and Milton Turnpike. We sent out a truck to salt and sand. On 3/31 we started ditching Willow Tree Road.

**BRUSH/WEEDS:** Due to another mild month, we spent numerous days trimming and chipping trees in the Village of Marlboro, McLaughlin Dr., Millhouse Rd., Woodcrest Ln., Old Post Rd. and Brewster St.

**WATER DEPARTMENT:** On 3/11 we assisted the WD in repairing a sewer lid at the Milton Firehouse.

**TRAINING:** On 3/4 all the men attended the yearly Dig Safely seminar at the Sports Dome in Milton.

**TOWN PARKS:** We spent several days at the Milton Landing (Old Kedem Winery site) excavating and installing a 60" x 6' PVC pipe. We also worked on reinstalling the water lines.

**FUEL USAGE:** Gas: Not available Diesel: Not available
