The majority of the Board discussed with Mr. Jennison in more detail about what type of food will be served and how it will be served. Either way the plan is to also provide home delivery for the homebound seniors and the seniors who are uncomfortable going out.

B). Chief Coccozza-Executive order # 203 New York State Police Reform and Reinvention Collaborative

Chief Coccozza stated that New York State police departments are being mandated to review and revise their rules, regulations and policies and procedures. They will need to put together a committee of police including himself, the Chief, and the union. They will need members of the community as well from not for profit organizations, faith based groups, the public defender's office, the district attorney's office, and local elected officials. There are over 300 pages of rules and regulations to look over. Currently, the department rule book is from an accredited agency. If there are any changes, they will need to be voted on by the town and adopted by resolution or local law. Then all documents are to be sent to NYS Director of Budgets by April 1, 2021.
