PUBLIC HEARING
EXTENSION NO.1 OF THE MILTON SEWER DISTRICT
OCTOBER 13, 2015 7:30 PM
MINUTES OF MEETING

Present: Supervisor Osborn
Councilman Molinelli
Councilman Corcoran
Councilman Baker
Councilman Koenig

Colleen Corcoran, Town Clerk

Supervisor Osborn opened the public hearing for public comment on the Extension No. 1 of the Milton Sewer District.

Ralph Walter asked if the taxpayers are liable for the soft costs if the property owners decide not to do the extension.

Councilman Koenig explained Town Law says that the Town cannot expend taxpayers money on special districts. If the property owners didn't do the extension the Town would pay for it and when the district was fully created the cost would be passed on to the extension district properties.

Councilman Corcoran said that they have signed agreements from the two parties.

Mark Reynolds asked what the approximate cost of the extension would be and what the soft costs are.

Councilman Corcoran said that it is about \$220,000.00, the amount hasn't changed. The soft costs are an estimated \$20,000.00.

Councilman Koenig made a motion to close the public hearing at 7:20PM. Motion seconded by Councilman Corcoran.

Yeas: 5 Nays: 0 Carried

*Respectfully submitted,
Danielle Cherubini
Deputy Town Clerk*
