Town Clerk Colleen Corcoran
Town Board Members

Monthly Report for May 2024

The roads scheduled for paving this year are Lillie Ln., Old Indian Rd. extension at 9W, Ridgecrest Dr., St. James Rd., South Rd., the rest of Willow Tree Rd. and Van Del Dr.

We started the drainage projects, installing pipes on South Rd. and Willow Tree Rd. Drainage ditches have been cleaned and we had our chipper out cutting brush, all in preparation for the paving we anticipate beginning the end of June.

The mower has been out cutting along all the Town's roads. We had DiLorenzo Tree Care remove trees at the Town Park entrance. We continued our street sweeping.

We finished installing the retaining wall at the new Community Center and also a retaining wall at Milton Landing. We prepped both parking lots for blacktopping.

We assisted the Water Department in installing 2 new-water taps on Grand St. and on Orange St.

At the end of the month, we prepped trucks for the Memorial Day Parade with the "Hometown Hero" banners being displayed. Thank you again Tom Corcoran for giving us the honor of displaying these banners and making this year's parade a huge success.

Fuel Usage: Gas: 55.011 gal. Diesel: 1,564.871 gal.

Respectfully submitted,

John Alonge, Highway Superintendent

RE: MONTHLY REPORT FOR MAY

Water consumption totaled 14,945,000 gallons, which is a daily usage of 482,000.
Compared to last month 14,279,000 gallons, which is a daily usage of 475,977.
Compared to a year ago water consumption was 17,317,000 gallons for the month, which is a daily usage of 558,600.

SUMMARY FOR THE MONTH

BILLING: Bills were mailed out. Calls about bills had to be alleviated. Also, we mailed out our 2023 Water Quality Report

CURB BOXES: We had to repair curb box on Orchard St.

METERS: We are had to replace 20 meters.

RESERVIOR: We worked up at the Marlboro Reservoir, started weed whacking and mowing the Reservoir.

SERVICE LINES: We had to install 3 new service lines.

SEWER: Removed a tree in front of the Milton Sewer Plant.

TOWN PARK: We had to repair the fountain pump in the back pond.

WATERMAINS: We had to install 2 one-inch taps for new services with the help of the Highway Dept.

SEWER LINE INSPECTIONS: 3

SERVICE LINE INSPECTIONS: 2

CLOSINGS: 5

MARKOUTS: 40

Gallons of Gas: 230

Gallons of Diesel: 30

Mileage for the month: 2,200

Marlboro, NY 12542

June 4, 2024

For the month of May 2024, both the Marlboro and Milton Wastewater Treatment Plants complied with all of the SPDES requirements. The following are monthly statistics for both plants;

Marlboro WWTP

- Average Daily Flow = **94,000** gallons per day.
 - (**54%** of design capacity.)
- Average BOD removal = **98%**
- Average Suspended Solids removal = **94%**

Milton WWTP

- Average Daily flow = **27,000** gallons per day.
 - (About **49%** of design capacity)
- Average BOD removal = **97%**
- Average Suspended Solids removal = **95%**

Both the Marlboro and Milton Treatment Plants operated normally during the month of May without any major changes or events. During the month we had two large 8,000 gallon sludge trucks pump at the Milton facility with no issues. We should be able to continue using this size truck moving forward. Before any more work is performed on the public bathrooms at the Milton Landing, we need to confirm that the sewer pit within the building can handle the potential connection. It was designed to only handle the single toilet and two sinks within the building. I am worried that the pump and pit itself is undersized and will experience problems with the trash and wipes people will flush. We may need to purchase a vortex or grinder pump and increase the size of the pit. Please let me know if information on the current system is needed. Overall, both wastewater treatment plants are in good working order but are getting older. If you need any additional information, please do not hesitate to contact me.

Thank you,
Julian Falco

SPECIAL EXTENSION

SITE PLAN

Technical Comments

1. The applicants are seeking approval for an extension of the Site Plan for the residential portion of the project, Section 155, Block 31 site plan review. The expiration of approval "Site Plan review and approval shall be void if Construction is not started within one year and completed within two years of the date of Final Site Plan Approval. Each of these respective periods of expiration may be extended in the Planning Board's discretion for up to two additional periods of one year. The Planning Boards authority to extend the respective periods of expiration shall apply to any project which requested an extension in writing, filed with the Town no later than on or after January 1, 2008. Review of the most recent approvals should be addressed and any resolution granting approval and should have a definitive time when approval shall lapse.

2. Recent changes to the Town Code may have extended the time frame for project completions. Coordination of the approvals with the recent code changes should be clarified and may allow an additional extension.

Board Actions

The Board approved the requested extension.

BAYSIDE [SUSSMAN]

2. Recent changes to the Town Code may have extended the time frame for project completions. Coordination of the approvals with the recent code changes should be clarified and may allow an additional extension.

Board Actions

The Board approved the requested extension.

MARLBORO ON HUDSON**18-2008****RE-APPROVAL****SITE PLAN**

Hudson Circle, Marlboro

Technical Comments

1. Plans should be submitted in support of the new application. All approvals for the project have lapsed and a new approval for the project is required.
2. The applicant's representative are asked to evaluate the stormwater management with regard to current stormwater management standards.
3. Long term provisions for stormwater maintenance on the site should be addressed. Homeowners Association documents should be required to address long term operation and maintenance of the stormwater management facilities. The Homeowners Association should execute a Stormwater Facilities Maintenance Agreement with the Town.
4. The Planning Board should review its previous SEQRA findings with regard to any potential changes in conditions at the site or in the area with regard to identifying consistency with the previous SEQRA findings.
5. A new Public Hearing for the project will be required.
6. The payment of fees should be discussed with the Town Board and Town Attorney. This is a new application as the previous 2018 approvals have lapsed.
7. We would request the submission of an updated Environmental Assessment Form (EAF). Current one submitted is from the 2018 application.
8. County Planning review of the project is required.
9. Any activity on the site since 2018 approval should be documented on any plans to be re-submitted.
10. The current applicants ability to utilize the previously submitted plans should be confirmed with the design engineers.
11. The status of any NYSDEC Permits should be addressed. Transfer of the permits should be confirmed. At a minimum, the Stormwater Permit must be updated with ownership and new requirements.
12. Status of approval of HOA documents should be determined with the Town Attorney's office. Revisions to bedroom counts were undertaken in the 2018 approval, which may require revisions to the Condo Association documents.

Board Actions

After discussion, the Board determined the applicant will be required to submit a new application.

BUTTERMILK FALLS RESORT HOTEL**23-1019****SKETCH****SITE PLAN**

220 North Road, Milton

103.1-2-

Technical Comments

1. The Planning Board has declared its Intent for Lead Agency and this office provided the applicants representative with the Notice of Intent for Lead Agency on 6 February 2024. If, no objections by any other agency have been received, the Planning Board can declare itself Lead Agency for the SEQRA review.
2. Creighton Manning/Ken Wersted's comments on the traffic modifications should be received.
3. The revised SWPPP should be submitted for review.
4. Additional information regarding the need for the archeological Avoidance Plan should be provided to the Planning Board for review. Approval of SHPPO of the Archeological Avoidance situation should be received.

5. It is noted that 15 foot wide access roads are identified. NYS Fire Code requires fire access roads to be a minimum of 20 feet. The Code Compliance office as the "authority having jurisdiction" should evaluate the 15 foot wide access roads.
6. A Design Report for the water systems should be submitted identifying adequate flow, pressure and fire flow to the site. Health Department approval for the water main extensions is required.
7. The subsurface sanitary sewer disposal systems require review and approval of the Ulster County Health Department.
8. County Planning referral is required for the project. We would recommend that initial referral of the project at this time to the county to obtain input.
9. The project is located in a State Department of State Coastal Zone. A Coastal Consistency Determination from the Department of State is required.
10. The project is located adjacent to the Hudson River, which is a 303D listed Impaired Waterway for priority organics and fish consumption. The SWPPP should address requirements for the 303D waterway discharge.
11. Applicant is requested to confirm that an easement exists in favor of tax lot Section 103.1, Block 2, Lot 12.100.
12. A Landscape Plan for all parcels should be provided. Landscaping of the large parking area at Mahoney Road and North Road should be addressed.
13. Height of the porte-cochere at the Banquet and Restaurant should be addressed to permit passing of trucks and emergency vehicles.
14. Are walkways or patios proposed to the lower elevation of the Hotel along the easterly most portions of the structure.
15. The applicant's representatives are requested to confirm the capacity of the wood bridge. In addition, a 30 foot by 8x12 concrete culvert is identified. Design of this culvert should be provided, including hydraulics through the culvert for the flow of the stream.
16. The land bank parking should be addressed by Ken Wersted and the Planning Board.
17. Details for the dumpster enclosure should be provided.
18. We would request that any approval resolution require the construction of conventional parking in the "green parking areas". A trigger mechanism should be required. We would recommend that upon request of the Code Enforcement Official, all "green parking areas" shall be constructed to conventional parking, with a specified time frame.
19. Roadway dedication parcels should be provided along all Town roadways to provide 50 foot right-of-ways.
20. NYSDEC SPDES Permit for the subsurface sanitary sewer disposal systems and stormwater facilities on the site is required.
21. Engineers Report for all subsurface sanitary sewer disposal systems should be submitted for the Planning Board files.
22. The applicants should identify if a Five Acre Waiver is to be requested for stormwater management. If the waiver is being requested, approval from the Town Board would be required.
23. The Planning Board should discuss whether deed restrictions should be put in place regarding the archaeologically sensitive area.

Board Actions

The application will be sent to the Ulster County Planning Board for review. A Public Hearing will be scheduled when Ulster County Planning comments and/or recommendations have been received.

New Application Review

RIDGEVIEW GIAMETTA SD
208-210 Western Ave., Marlboro

24-2005 SKETCH
108.2-4-1.411

SUBDIVISION

Technical Comments

1. Topography is only depicted on a limited portion of the site.
2. Project must be referred to the Zoning Board of Appeals as two accessory structures exist on Lot #1, which do not comply with Section 155-16G (1)Yards, "no accessory building permitted by this Chapter shall be placed in any required side or front yard, except as specified hereafter in this Article and (3)(b) no accessory structure shall be located closer to the street than the street wall of the principal structure except in the case of a farm or quarry buildings".
3. Sight distance at existing driveway should be depicted on the plans. Approval from the jurisdictional Department Head for the driveway location should be received.
4. The applicant should address lack of easement for drainage pipe along Western Avenue, which encroaches onto proposed Lot #1.
5. The height of all accessory structures should be identified as accessory buildings greater than 10 feet in height, shall be setback an additional foot for each additional foot in height.
6. The subsurface sanitary sewer disposal system for proposed Lot #2 must receive Health Department approval.
7. All interconnecting roadways should be terminated, or easements for use provided.
8. The purpose of "proposed mafia block" should be addressed.
9. A 2,000 gallon septic tank is proposed. The number of bedrooms in the proposed 2 story dwelling should be identified.

Board Actions

The applicant must appear before the ZBA and will return once the ZBA provides their determination.

Special Topics Discussion

PROPOSED RIDGELINE LAW

The Board discussed the proposed Ridgeline Law and provided their attorney with the opinions to be shared with the Town Board
