*The boats are beginning to dock at the pier. The schedules should be on the website soon.*

*He is having meetings with the developer that would like to build a medical facility and a 55 and older senior housing facility across the street from Town Hall.*

*The developers from the Orchards on Hudson Dock Rd. project have been working with the DOT on traffic studies. They are working on parking.*

*The Town is looking for property for municipal parking in the Hamlet of Marlboro.*

*The county wanted to place cameras along Route 9W for ticketing purposes and he refused. He asked the Board if they had opinions. Some of the Board members shared personal stories about how they were ticketed by ticketing cameras/software. There was a brief discussion with the Police Chief about the ticketing process and where may or may not be a good placement for cameras for safety purposes.*

ITEM #9 Reports of Committees  
*Mici Simonofsky read the CAC report which is incorporated into the minutes as follows:*

**CONSERVATION ADVISORY COMMITTEE  
REPORT TO TOWN BOARD  
June 23, 2025**

**There's not much news to report. We continue our inquiries into potential effects on all environmental issues related to the Orchards on Hudson proposal. In regards to the traffic on 9W that is certain to be increased from at least 106 vehicles, and in addition to increased emissions, the more important aspect of the placement of this entry is the impact of backed up traffic on 9W and no available parking for all of the businesses within the hamlet. Municipal parking has been a consistent problem in both hamlets. In Marlboro, there is virtually no real estate other than this area close to Dock Road and in the area of King Street where there is any potential for significant additional parking. We hope that the Planning Board as well as Town Board members include this thinking in the management of this very worthwhile yet problematic proposal. Preparing for the future includes good planning now as you have continuously shown to be true.**

**We look forward to the solar farm construction project and are pleased to see the resolution on tonight's agenda to address the cap repair.**

**We remind residents that the Sarah Hull Hallock Library is a listed cooling center during these hot summer days. The Town's Disaster Preparedness & Recovery Plan indicates that the Community Center is also to be used as a cooling center. I don't know if there is a policy on when and how it will be managed. If not, the CAC could assist in that endeavor so that residents have another option for an air conditioned space.**

**Respectfully submitted,  
Mici Simonofsky, Chair**

*There was a brief discussion about how the Community Center could be used as a cooling center. The Community Center is a listed cooling center through Ulster County who would ask the Town, if necessary, to open the facility and the county would staff the building.*

*There was a discussion about posts by uninformed people on the CAC Facebook page with regard to the Orchards on Hudson project and potential traffic.*

*Councilman Zambito explained how the developer of Orchards on Hudson is doing all the right things and more. He commented that Ms. Simonofsky was filming traffic on one of the busiest days at the end of the school year and recommended she go to a school board meeting to address the traffic issue that arises from the extreme amount of parents dropping off and picking up their kids. He explained that when he was on the Economic Development Committee he was told that the pick your owns would make the local businesses prosper. The pick your owns now have all the amenities so people are not patronizing the local businesses and he was told that is agritourism. He stated his opinion that 106 high end units will not likely affect traffic too much and the residents will likely patronize the local businesses. He spoke about parking at the Falcon and also that a municipal parking lot on Dock Rd. will likely not be beneficial.*

*Mici Simonofsky stated that she is not against the project but just would like to figure out the best way to develop the entrance. She hopes that people can give constructive ideas like with the ridge line. She will preface Facebook posts with that she is not against the project and just posting information.*

*Supervisor Corcoran stated that they have been working with the developer for three years and they have been extremely cooperative and spending a lot of money. NYSDOT controls the road, there*

*have been many meetings with them and multiple studies done by them. The developers are putting in a turning land and also moving the entrance north of Dock Rd. Supervisor Corcoran asked Ms. Simonofsky to be mindful of posts on Facebook since the CAC is a town committee. Councilman Cauchi also stated to be mindful of posts.*

*Councilwoman Sessa reported that the concerts will begin on July 11, 2025 and continue on Fridays until August 1, 2025 where there will be fireworks. The committee is working on Trunk or Treat and the Christmas Parade. They may switch the movie to The Grinch and change the location to the Community Center.*

RECITALS

WHEREAS, Owner has submitted a Notice of Intent to the Taxing Jurisdiction that  
it plans to build and operate a “Solar Energy System” as defined in New York Real Property Tax  
Law (“RPTL”) Section 487 (1)(b) (herein the “Project”) with an expected nameplate capacity

WHEREAS, the Taxing Jurisdiction has not opted out of RPTL Section 487; and

WHEREAS, pursuant to RPTL Section 487 (9)(a), the Taxing Jurisdiction has  
indicated its intent to require a Payment in Lieu of Taxes (“PILOT”) Agreement with the Owner,

under which the Owner (or any successor owner of the Project) will be required to make annual payments to the Taxing Jurisdiction for each year during the term of this Agreement; and

WHEREAS, the Owner has submitted or will submit to the assessor of the Town of Marlborough a RP-487 Application for Tax Exemption of Solar or Wind Energy Systems or Farm Waste Energy Systems, demonstrating its eligibility for a real property tax exemption pursuant to RPTL Section 487; and

WHEREAS, the Parties intend that, during the term of this Agreement, the Project will be placed on the exempt portion of the assessment roll and the Owner will not be assessed for any statutory real property taxes for which it might otherwise be subjected under New York law with respect to the Project.

NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Representations of the Parties.

(a) The Owner hereby represents, warrants, and covenants that, as of the date of this Agreement:

1. The Owner is duly organized, and a validly existing limited liability company duly authorized to do business in the State of New York, has requisite authority to conduct its business as presently conducted or proposed to be conducted under this Agreement, and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement.

2. All necessary action has been taken to authorize the Owner's execution, delivery, and performance of this Agreement and this Agreement constitutes the Owner's legal, valid, and binding obligation enforceable against it in accordance with its terms.

3. None of the execution or delivery of this Agreement, the performance of the obligations in connection with the transactions contemplated hereby, or the fulfillment of the terms and conditions hereof will (i) conflict with or violate any provision of the Owner's Certificate of Incorporation, Certificate of Formation, bylaws or other organizational documents or of any restriction or any agreement or instrument to which the Owner is a party and by which it is bound; (ii) conflict with, violate, or result in a breach of any applicable law, rule, regulation, or order of any court or other taxing jurisdictions or authority of government or ordinance of the State or any political subdivision thereof; or (iii) conflict with, violate, or result in a breach of or constitute a default under or result in the imposition or creation of any mortgage, pledge, lien, security interest, or other encumbrance under this Agreement or under any term or condition of any mortgage, indenture, or any other agreement or instrument to which it is a party or by which it or any of the Owner's properties or assets are bound. There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the Owner, wherein an anticipated decision, ruling, or finding would result in a

material adverse effect on the Owner's ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.

(b) The Taxing Jurisdiction hereby represents, warrants, and covenants that, as of the date of this Agreement:

1. The Taxing Jurisdiction is duly organized, validly existing, and in good standing under the laws of the State of New York and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement.

2. All necessary action has been taken to authorize the Taxing Jurisdiction's execution, delivery, and performance of this Agreement, and this Agreement constitutes the Taxing Jurisdiction's legal, valid, and binding obligation enforceable against it in accordance with its terms.

3. No governmental approval by or with any government authority is required for the valid execution, delivery, and performance under this Agreement by the Taxing Jurisdiction except such as have been duly or will be obtained or made.

4. There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the Taxing Jurisdiction, wherein an anticipated decision, ruling, or finding would result in a material adverse effect on the Taxing Jurisdiction's ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.

## 2. Tax Exemption; Payment in Lieu of Real Property Taxes.

(a) Tax-Exempt Status of the Project Facility. Pursuant to RPTL 487 the Parties hereto agree that the Project shall be placed by the Taxing Jurisdiction as exempt upon the assessment rolls of the Taxing Jurisdiction. A Real Property Tax Exemption Form (RP 487) has or will be filed with the Taxing Jurisdiction and the Project is eligible for exemption pursuant to RPTL 487 (4).

(b) Owner agrees to make annual payments to the Taxing Jurisdiction in lieu of real property taxes for the Project for a period of fifteen (15) consecutive fiscal tax years; annual payments may not exceed the amounts that would otherwise be payable but for the RPTL 487 exemption. Such 15-year term shall commence on the first taxable status date selected by Owner following commencement of the construction of the Project (the "Commencement Date"), and shall continue until the end of the fifteenth fiscal year following the date on which the Project Facility has been interconnected to the local distribution system and commenced commercial operations ("Commercial Operations Date"). The first annual payment shall be in the amount of \$827.05 per Megawatt AC of Capacity (the "Annual Payment"). [Thereafter Annual Payments will escalate by two percent (2%) per year.] Based on the Capacity of five (5) Megawatts AC, Annual Payments to be made by Owner during the term of this Agreement shall be as listed in Exhibit B. Each Annual Payment will be paid to the Taxing Jurisdiction in accordance with Section 5 of this Agreement; and the Annual Payment amount and payment date will be noted on an annual bill issued by the Taxing Jurisdiction to the Owner, provided that any failure of the Taxing

Jurisdiction to issue such a bill shall not relieve Owner of its obligation to make timely payments under this section.

(c) Owner agrees that the payments in lieu of taxes under this Agreement will not be reduced on account of a depreciation factor or reduction in the Taxing Jurisdiction's tax rate, and the Taxing Jurisdiction agrees that the payments in lieu of taxes will not be increased on account of an inflation factor or increase in the Taxing Jurisdiction's tax rate, all of which factors have been considered in arriving at the payment amounts reflected in this Agreement.

3. Change in Capacity at Mechanical Completion: Adjustments to Payments. To the extent that the Capacity of the Project is more or less than the five (5) Megawatts AC on the date when the Project is mechanically complete and Owner has commenced production of electricity, the payments set forth in Exhibit B will be increased or decreased on a pro rata basis.

4. Change in Capacity After Mechanical Completion: Adjustments to Payments. If after the Commercial Operation Date the Capacity is increased or decreased as a result of the replacement or upgrade or partial removal or retirement of existing Project equipment or property or the addition of new Project equipment or property, the Annual Payments set forth in Exhibit B shall be increased or decreased on a pro rata basis for the remaining years of the Agreement.

5. Payment Collection.

[Payments for the Town shall be made payable to the Town of Marlborough and mailed to the Town of Marlborough, 21 Milton Turnpike, Suite 200, Milton, NY 12547 and are due no later than [ ] of each year.]

All late payments shall accrue interest at the statutory rate for late tax payments under New York Law. Owner shall pay the reasonable attorney fees, court and other costs incurred by the Taxing Jurisdiction in the collection of the unpaid amounts. All payments by the Owner hereunder shall be paid in lawful money of the United States of America.

6. Tax Status. Separate Tax Lot. The Taxing Jurisdiction agrees that during the term of this Agreement, the Taxing Jurisdiction will not assess Owner for any real property taxes with respect to the Project to which Owner might otherwise be subject under New York law, and the Taxing Jurisdiction agrees that this Agreement will exclusively govern the payments of all such taxes, provided, however, that this Agreement is not intended to affect, and will not preclude the Taxing Jurisdiction from assessing, any other taxes, fees, charges, rates or assessments which the Owner is obligated to pay, including, but not limited to, special assessments or special district assessments, fees, or charges for services provided by the Taxing Jurisdiction to the Project. Nothing in this Agreement shall limit the right of the Owner to challenge the assessment of the Project pursuant to the RPTL.

7. No Assignments Without Prior Notice; Binding Effect.

(a) This Agreement may not be assigned by Owner without the prior written consent of the Taxing Jurisdiction; such consent may not be unreasonably withheld if the assignee has

agreed in writing to accept all obligations of the Owner. The restrictions on assignment contained herein do not prohibit or otherwise limit changes in control of Owner. If Owner assigns this Agreement with the advance written consent of the Taxing Jurisdiction, the Owner shall be released from all obligations under this Agreement upon assumption hereof in writing by the assignee, provided that Owner shall, as a condition of such assignment and to the reasonable satisfaction of the Taxing Jurisdiction, cure any defaults and satisfy all liabilities arising under this Agreement prior to the date of such assignment. A Notice of this Agreement may be recorded by Owner and the Taxing Jurisdiction shall cooperate in the execution of required Assignments with the Owner and its successors. Owner may, with advance written notice to the Taxing Jurisdiction and without prior consent, assign this Agreement to an affiliate of Owner or to any party who has provided or is providing financing to Owner for the construction, operation and/or maintenance of the Project.

(b) Binding Effect. This PILOT Agreement shall inure to the benefit of, and shall be binding upon, the Taxing Jurisdiction, the Owner and their respective successors and assigns.

8. Statement of Good Faith. The Parties agree that the payment obligations established by this Agreement have been negotiated in good faith in recognition of and with due consideration of the full and fair taxable value of the Project.

9. Additional Documentation and Actions. Subject to applicable laws and regulations, each Party will, from time to time hereafter, execute and deliver or cause to be executed and delivered, such reasonable additional instruments and documents as the other Party reasonably requests for the purpose of implementing or effectuating the provisions of this Agreement. Owner shall pay all reasonable attorneys' and consulting fees incurred by the Taxing Jurisdiction to review and negotiate any such instruments or documents.

10. Notices. All notices, consents, requests, or other communications provided for or permitted to be given hereunder by a Party must be in writing and will be deemed to have been properly given or served upon the personal delivery thereof, via courier delivery service, by hand, or by certified mail, return receipt requested. (b) No delay or omission in exercising any right or power accruing upon the occurrence of any breach of an obligation hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) In the event any provision contained in this Agreement should be breached by any Party and thereafter duly waived by the other Party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

15. Entire Agreement. The Parties agree that this is the entire, fully integrated Agreement between them with respect to payments in lieu of taxes for the Project.
