

PUBLIC HEARING  
SEPTEMBER 22, 2025, 7:00 PM  
21 MILTON TURNPIKE, MILTON NY  
2025 STORMWATER MANAGEMENT PLAN (SWMP PLAN) AND MS4 ANNUAL REPORT  
MINUTES OF MEETING

Present: Supervisor Corcoran  
Councilman Molinelli  
Councilman Zambito  
Councilwoman Sessa  
Councilman Cauchi

Also Present: Danielle Cherubini, Deputy Town Clerk

*Supervisor Corcoran opened the public hearing at 7:05 p.m. He explained that the town is now required by the state to hold an annual public meeting for its MS4 Storm Water Management Plan (SWMP) for town properties. The purpose of the meeting is to collect public input prior to final submission of the plan to the state. The Town works with its engineering firm, McGoey, Hauser and Edsall to prepare, review, and maintain stormwater management compliance. Previously, internal departments (code enforcement, assessor) assisted with this plan, but due to increased complexity, it is now handled externally. The SWMP addresses issues such as: water runoff impact on neighboring properties, environmental risks from pollutants and contamination from runoff and flooding. All MS4 reports are available to view on the town website. Staff, (Danielle and Cindy) are working together to update links for easier access.*

***Councilwoman Sessa made a motion to close the public hearing at 7:11 p.m. Motion seconded by Councilman Cauchi.***

***Yeas: 5      Nays: 0      Carried***

*Respectfully submitted,  
Danielle Cherubini  
Deputy Town Clerk*
