**Instructions for Completing Part 1**

**Part 1 is to be completed by the applicant or project sponsor.** Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. **A. Project and Applicant/Sponsor Information.**

Name of Action or Project: Lofaro Timber Harvest		
Project Location (describe, and attach a general location map): Off State Route 44 & 55. Town of Marlborough tax parcels 95.2-2-18, 95.3-1-25 and 95.3-1-19		
Brief Description of Proposed Action (include purpose or need): A commercial harvest of hardwood trees ranging in size from 15" to 30" in diameter with a total of 1,513 sawtimber and 82 firewood trees to be removed. The total trees to be removed from the site is 1,595 trees over the 105 acres, or approximately 15 trees per acre. This same area was harvested in 2014 where the area was harvested to create conditions favorable for the establishment of desirable hardwood regeneration. Now 11 years later, the site has responded very well and many areas have hardwood seedlings approximately 8-10 feet tall. The harvest proposed now will remove the overstory to release these seedlings and allow them to grow freely.
